CARES Act Emergency Financial Aid Grants Report
December 31, 2020

This is Centre College's fourth status report in compliance with Federal Regulation from the Department of Education pertaining to Section 18004(a)(1) of the CARES Act to provide Emergency Financial Aid Grants to students.

There has been no significant activity since the previous report. Emergent situations and changes in fall term activities due to the ongoing pandemic prevented our committee from resending and making decisions for the remainder of our CARES Act funds. WE will be aiming to accomplish that in the first quarter of 2021.

Respectfully submitted January 10, 2020 by Kevin Lamb, Associate Dean of Admission and Financial Aid, Director of Financial Aid.
